

# Refer Your Neighbor & Earn \$500

## Here's How It Works:

You fill out your information on the left and your neighbor fills out the information on the right. Then, your neighbor brings this card with them to their first meeting (or feel free to stop by with them and drop it off during their first meeting). If your neighbor closes on the purchase of their condominium home site by December 31<sup>st</sup> 2006, you will receive \$500.

## The Rules:

Only one referral award per closed condominium deal allowed.
