Opelika, AL 36801

JODECO SB

The modern, open concept design of the Jodeco allows families to easily spend time together or spread out. Upstairs you'll find three bedrooms and the spacious owner's suite. A flex room is located on the first floor and can be used as a bedroom, office, dining space and more. You will love the thoughtfully arranged kitchen which offers a view to the dining and living area.
